

Script video 01

Hello,

My name is **PERCY** and from today on I will try my best to help you learn English. I do not yet have a face, but this will change very soon. So, you just have to be patient.

I am not a native English speaker. I am originally German but I managed to learn English quite well.

And my message to you is very simple:

You can learn to speak English very well too, if you really want to and I will tell you how.

In order to get there you have to integrate English into your daily routine, like getting up in the morning and brushing your teeth. My job is to help you with that. Do you have 5 minutes every day to learn English? If your answer is yes, I can help you on your way to improve your English dramatically in only a few weeks – and I can hold your hand all the way.

Today is your first lesson in which I will teach you to spell English words by using the **NATO alphabet** or the civil aviation alphabet which pilots use in their communication with airports all over the world.

Let us start with my name:

**PERCY VEARANCE**

**P for PAPA**

**E for ECHO**

**R for ROMEO**

**C for CHARLY**

**Y for YANKEE**

and

**V for VICTOR**

**E for ECHO**

**A for ALPHA**

**R for ROMEO**

**A for ALPHA**

**N for NOVEMBER**

**C for CHARLY**

**E for ECHO**

And now it is your turn. Repeat after me:

A for ALPHA  
B for BRAVO  
C for CHARLY  
D for DELTA  
E for ECHO  
F for FOXTROTT  
G for GOLF  
H for HOTEL  
I for INDIA  
J for JULIET  
K for KILO  
L for LIMA  
M for MIKE  
N for NOVEMBER  
O for OSCAR  
P for PAPA  
Q for QUEBEC  
R for ROMEO  
S for SIERRA  
T for TANGO  
U for UNIFORM  
V for VICTOR  
W for WHISKY  
X for X-RAY  
Y for YANKEE  
Z for ZULU

Practise it a few times with your name or other words and you will soon see that it will help you if you want to spell words for example on the telephone.

And if you want to read the text of this lesson once again, you can download the script from our website. I hope to see you again soon for the next lesson.

And finally, here is a video on youtube about perseverance. The story of Nick Vujicic.
